2023 - 2024 ANTICIPATED COURSE FEES

Information and Worksheet

FEE INFORMATION

ASB Fee

This is a one-time fee each year. It is required for **all students** involved in school activities or athletics such as band, color guard, sports, ect. DO NOT pay this *per* ensemble or *per* activity. It is a one time payment annually that covers all ASB activities within our school.

Base Layer T-Shirt

This t-shirt will be ordered for each band student and is needed to be worn under the marching uniform (fall marching season and spring parades) as well as for informal school and community events such as pep band, DLC Olympics, assemblies and others TBA.

Transportation and Housing

These fees are used to assist in festival participation at the listed festivals for each group. The fees will cover housing and a portion of transportation. The remainder of transportation expenses are projected to be covered by our building budget, ASB budget, or Bandwagon. Most meals on these trips will be out-of-pocket expenses to the student. These fees are applied per trip/event.

Percussion Sticks, Mallets, Heads, Fee

Our *percussion* students rehearse and perform on equipment provided for them by our program. Many of these items are consumable items that the students would ordinarily need to provide on their own such as sticks, mallets, and drum heads. In an effort to reduce cost for the students, our program will purchase and provide the students with these necessary items with the help of this fee. This is a one time, annual fee.

Instrument Use Fee

Students that use a school-owned instrument will assist in the cleaning and maintenance of this equipment. This is a one time, annual fee. This is not per instrument.

Tux & Dress Cleaning

All students are provided a tux and/or dress to wear for concerts and festivals. Students will have a cleaning fee for the use of those items. This is a one time, annual fee.

Spring Marching Band Uniform Cleaning

This fee applies to all band members and is for cleaning the uniform that students wear for the Lilac Parade in May, and/or any other events or activities which require the use of the school-provided marching band uniform.

So Cal '24 Payments

These payments are for those students participating in this trip scheduled for May of 2024.

2023 - 2024 ANTICIPATED COURSE FEES

Information and Worksheet p. 2/2
